Policy SY15-16.1: Paper-Based Testing Policy
APPROVED October 10, 2015

Thomas MacLaren School will use paper-based testing for the following assessments: CMAS English Language Arts, Mathematics, Science and Social Studies. This decision has been made in consultation with the SAC, and is primarily aimed at significantly decreasing the impact of the testing window on instructional time, given the number of computers at the school. This is in compliance with HB 15-1323.

We understand this policy does not apply to the ACCESS test, the 10th grade college-preparatory exam, nor to the 11th grade college entrance exam. We also understand that using paper-based testing does not allow MacLaren to request the early testing window.
