Masters Fund and Annual Appeal

A letter has been mailed to your home address highlighting our year-end giving opportunities. As you consider how you would like to support MacLaren this season, know that we continue to have two chief priorities:

- The **Masters Fund** provides additional compensation for our accomplished faculty and dedicated staff. One hundred percent of donations to this fund goes to end-of-year bonuses.
- The **Annual Appeal** generates support for our program as a whole. Gifts to the Annual Fund help to finance a range of efforts, which currently include upgrades to our new fields, bringing our new science labs up to code, and the many moving expenses we will incur.

Giving to either or both funds is easy and can be done on a monthly basis as a MacLaren Partner, or with a one-time gift. Please click [HERE](#) for our giving page.
