THOMAS MACLAREN SCHOOL

HEALTH CARE PLAN
LETTER OF EXPLANATION

Dear Parents and Guardians:

I am the School Nurse working with Thomas MacLaren School. Part of my job is to make sure that your school is up to date with state guidelines. These guidelines, set by the Colorado Department of Education, ensure that your child is as safe as possible at school.

A priority is to update our records if your child has **Asthma, Allergies, Celiac Disease, Diabetes, Migraines, Seizures or a General Health Care issue**. All forms (called Health Care Plans) must be filled out completely by either you or your health care professional **and** need signatures from the Health Care Provider with prescriptive authority and the Parent/Guardian.

All of these forms can be found on the school website: www.maclarenschool.org. From the home page click on the **Parent** tab, then scroll down the menu and click on the **Health Information** link. This will take you to the Health Page which contains links to all the necessary forms and packets.

If your child will need to carry a Rescue Inhaler, Epi-Pen®, or Diabetes supplies, then the Contract to Carry form must be completed and returned to the front desk immediately.

According to Colorado State law, we are no longer able to administer your child's emergency medication without a signed Health Care Plan and Health Care Provider's Authorization for the Administration of Medication by School Personnel. These forms can be found on our website.

Thank you for working with us to make sure that your child is as safe as possible while at school. If you have any questions, please contact me or Karen Triplett (ktriplett@maclarenschool.org).

Sincerely,
